**About ACCNJ**

Edison-based Associated Construction Contractors of New Jersey was created in July 2013 with the merger of Building Contractors Association of New Jersey (BCANJ) and Associated General Contractors of New Jersey (AGC of NJ). As the state chapter of the Associated General Contractors of America – the oldest and largest construction association in the nation – ACCNJ holds four AGC of America charters: building, heavy, highway and utility. With 300+ members and 150 years of combined experience serving

the New Jersey construction community, ACCNJ is the leading construction association in the state and the only organization representing both building and highway contractors in the commercial and public sectors.
