## *About the ACCNJ Scholarship Foundation...*

*Each year, the Associated Construction Contractors of New Jersey Scholarship Foundation provides scholarship awards to children and grandchildren of members' employees to assist with their higher education needs. This year, the Foundation will offer numerous scholarship opportunities for eligible high school graduates pursuing undergraduate degrees.*

*In addition, the Foundation offers the John F. Donohoe scholarship for civil engineering students already enrolled in an accredited civil engineering program.*

# 2017 ACCNJ Foundation Scholarships

## High School Graduates

ACCNJ provides the following scholarships to graduating high school seniors entering an accredited college or university as full-time students, pursuing their undergraduate degrees with a minimum of 12 credits per semester, beginning in September 2017.

Candidates will be evaluated on character, academic performance, extracurricular activities and community service.

Donald R. Waters Memorial Scholarship (\$10,000)

2017 Louis A. Garlatti, Sr. Memorial Scholarship (\$10,000)

2017 Gig Manville Memorial Scholarship (\$10,000)

ACCNJ Foundation Scholarship (\$10,000)

## Civil Engineering Students

The John F. Donohoe Scholarship is available to current civil engineering students entering the second, third or fourth year of an accredited civil engineering program beginning in September 2017.

John F. Donohoe Civil Engineering Scholarship (\$10,000)
