ACCNJ Welcomes Five New Member Companies in Q1 2026, Bolstering Industry Expertise and Collaboration

Edison, NJ — The [Associated Construction Contractors of New Jersey](#) (ACCNJ) is pleased to share that five new member companies have been added to the organization in the first quarter of 2026. ACCNJ currently has more than 330 members from various segments of the construction industry across the State, all dedicated to the Association’s mission.

“We are excited to welcome these exceptional companies into ACCNJ,” said **Jack Kocsis, Jr., Chief Executive Officer, ACCNJ**. “Their decision to join underscores a deep commitment to upholding the highest standards of quality, safety, and professionalism, while actively contributing to the advancement and integrity of New Jersey’s construction industry.”

The new members are as follows:

- [Carbro Constructors](#), based in Warren, NJ, is a team of professionals specializing in infrastructure construction and construction management. The company performs utility, civil, and environmental construction, with the expertise and capacity to execute and manage all aspects of the most complex infrastructure and building projects.
- [Military Veterans Installation South LLC](#), based in Brick, NJ, combines quality furniture sales with full-service logistics. Their trusted team of professionals provide expert installation and professional setup for your entire workspace from start to finish.
- [Miter](#), based in New York, NY, provides a cloud-based, construction-specific platform that integrates HR, compliance, and financial software. Its capabilities help manage payroll, job-costing, HR and field operations.
- **PLS Installations LLC**, based in Dover, NJ, is a contracting firm specializing in the installation of laboratory casework, millwork, and office fronts.
- [SOLV Energy LLC](#), based in San Diego, CA, delivers end-to-end solutions for utility-scale solar, battery energy storage (BESS), and high-voltage infrastructure.

The company supports projects from early engineering through long-term operations, helping clients reduce risk, accelerate timelines, and maximize asset performance.

“The diverse expertise of each of these members plays an important role in strengthening our organization,” said **Leigh-Ann Brannigan, Membership Services Director, ACCNJ**. “I look forward to seeing how they leverage the opportunities within ACCNJ while also making impactful contributions to our community.”
