ACCNJ Welcomes Eight New Member Companies in Second Quarter 2026, Expanding Industry Expertise and Collaboration

Edison, NJ — The [Associated Construction Contractors of New Jersey](#) (ACCNJ) is pleased to announce eight new member companies have been added to the organization throughout the second quarter of 2026. ACCNJ represents more than 320 member companies spanning all sectors of New Jersey's union construction industry and remains committed to promoting the highest standards of safety, professionalism and industry excellence.

"We are pleased to welcome the new member companies to ACCNJ, and look forward to the expertise and perspectives they will bring to our Association," said **Jack Kocsis, Jr., Chief Executive Officer, ACCNJ**. "Each new member strengthens our ability to advance New Jersey's construction industry and enhances the collective voice of our membership."

The new members are as follows:

- **Buckley & Company, Inc.**, based in Philadelphia, PA, is a contractor that specializes in excavation, sitework, concrete construction, and bridge and highway construction. Founded in 1928, Buckley has worked on numerous notable projects in the Philadelphia region and throughout the country, including the Walt Disney World EPCOT Center, as well as terminal and boarding areas of the San Francisco Airport.
- Neptune, NJ-based [Cypreco Industries, Inc.](#) is a general contracting, construction management, and consulting firm providing service throughout the tri-state area since 1989 through its team of speciality trade workers and engineers. Cypreco specializes in providing construction services to federal, state, county, and municipal government, as well as private commercial and industrial entities.
- [Empire Crane Company](#), headquartered in New York with an office in Bridgewater, NJ, is a specialized heavy equipment dealer offering a variety of crane options to customers locally and globally. Customers can purchase parts and attachments for various inventory, as well as request a crane servicing for simple maintenance and complex repairs.

- [Island Iron Works](#) is a dedicated team based in Egg Harbor Township, NJ, providing an extensive line of iron and fabricated products fit for business needs. Their team of experts provide quality workmanship for various projects, including metal fabrication and welding, structural steel, plasma cutting, spiral staircases, MIG welding, and interior and exterior ornamental iron design and fabrication.
- Based in West Nyack, NY, **MCS Drywall, LLC** is a drywall and finishing carpentry contractor.
- Based in Strongstown, PA, [S B&K Enterprises](#), is a leading national heavy highway construction company specializing in installing traffic barriers and highway signage. In business for 30+ years, highway contractors in the Mid-Atlantic have relied on B&K Enterprises to develop critical highway safety infrastructure.
- [Paul J. Scariano, Inc.](#) is a New Rochelle, NY-based construction organization and heavy civil contractor that has been serving clients for more than 25 years. As part of PJS Group, the company is committed to fostering a culture of integrity and professionalism to deliver solutions.
- Iselin, NJ-based [World Insurance Associates](#) is a financial services organization providing risk management and surety services within a litany of industries, including construction and transportation. World Insurance Associates empowers people to make informed decisions to improve their risk management and financial outcomes.

“It’s always exciting to welcome new members and see how quickly they become engaged with the ACCNJ community,” said **Leigh-Ann Brannigan, Membership Services Director, ACCNJ**. “Whether through networking, educational programs, or industry events, our members gain access to valuable opportunities and build lasting relationships that strengthen both their businesses and New Jersey’s construction community.”
