ACCNJ Welcomes New Members, Strengthening Organization and Industry Collaboration

Edison, NJ — The [Associated Construction Contractors of New Jersey](#) (ACCNJ) is proud to announce its membership continues to grow, with several new members joining this month. These new members have experience beyond New Jersey, located throughout the tri-state area and in Canada, and share ACCNJ's mission of creating a safe and modern job site for craftworkers and customers alike.

"We are excited to welcome the newest members to our Association," **said Jack Kocsis Jr., Chief Executive Officer, ACCNJ.** "Each company has been recognized throughout the State and North America for its strong commitment to safety and for helping to create a more efficient construction industry. Their expertise strengthens our community as well as our industry-wide partnerships."

The new members are as follows:

- Specializing in commercial and industrial tile installation services, [Commercial Tile and Marble LLC](#) is located in Williamstown, NJ. Their work can be seen throughout a wide range of industries, from casinos and restaurants to airports and libraries. Commercial Tile and Marble LLC services contractors in New Jersey, Pennsylvania and Delaware.
- [Corfix](#), headquartered in Ottawa, Ontario, is recognized as the #1 safety software for subcontractors throughout North America. Founded by former construction workers, Corfix streamlines jobsite paperwork by digitizing safety forms, managing time cards, and projects. Corfix helps to keep job sites safe and allows contractor companies to run a safer, smarter, and more efficient operation.
- With more than 30 years of service in the construction industry, [Perfetto Contracting Co. Inc.](#)'s mission is to deliver projects to their clients with the highest quality, on time, and in a cost-effective manner. Serving the Greater New York area,

Perfetto Contracting Co. Inc. is a growing heavy civil/highway construction company specializing in utility work, waste and stormwater work, bridge work, flood protection, water main work, parks and green infrastructure, streetscapes and resurfacing.

- Located in Tinton Falls, New Jersey, [Garden State Pavement Solutions](#) manufactures and delivers all standard and many custom concrete mix designs. The company has been a trusted name and partner to the property management community since 1983 under their former name, Garden State Sealing.
- [LBJ Flooring, LLC](#) is a certified contract furniture and flooring dealership that provides services to both private and public sectors. Based out of Eatontown, New Jersey, the company was established in 2015 and includes a core team that has more than 40 years of experience with diverse backgrounds.
- Trusted by more than 100,000 customers including NASA and Rite Aid, [WillScot Holdings Corp.](#) is North America's leading provider of complete temporary space solutions. Headquartered in Phoenix, Arizona, WillScot provides onsite temporary modular office and storage space, restroom trailers, climate-controlled storage, and clear span tent structures. The company has more than 250 locations with 5,000 employees.

"We are so pleased to welcome these new members into ACCNJ," said **Leigh-Ann Brannigan, Membership Services Director, ACCNJ**. "Each one brings unique skills that reflect our shared commitment to safety and excellence both on and off the jobsite. As our membership grows, so does our impact across the construction industry, and we are proud to have them join our Association."

###

ABOUT ACCNJ

ACCNJ represents general building contractors, construction managers, and heavy, highway, site development and utility contractors in New Jersey that employ tens of thousands of skilled union craftworkers each year. Members are responsible for billions of dollars in commercial, industrial, heavy, highway, utility, and institutional construction projects annually. The Association is committed to raising the standards of construction in New Jersey through quality, integrity, skill, and responsibility.
